

Volunteer for the 2011 Greater Los Angeles Homeless Count

On any given night, nearly 50,000 people are homeless in Los Angeles County of those, 2 in 3 have no shelter and are living on the streets. Almost 7,000 are veterans.

They Count. Will you?

Los Angeles has the highest street homeless population in the nation. Every day we see men, women and children without a place to call home. We don't have to accept homelessness as an unsolvable problem. With your help we can end homelessness.

Join others who are committed to ending homelessness in our communities by volunteering for the San Dimas Count on the night of January 25th or other areas of LA County on the nights of January 26th and 27th. Volunteers are teamed up, trained, given all needed supplies and deployed to designated areas throughout the city to count the homeless – in one night. Just a few hours of your time can make the difference in someone finding permanent housing.
