

Veterans Monument – Groundbreaking – June 14th – 5:00 p.m.

San Dimas H.E.R.O.E.S. (Helping Establish a Remembrance Of Every Serviceperson) is planning its official ground breaking for FLAG Day, June 14th at 5:00 p.m. The ceremony will take place at the site of the future monument, located at the northwest corner of San Dimas Avenue and Commercial Street, and the public is invited to attend and to bring flags.

The H.E.R.O.E.S. Committee is hopeful that continuing fundraising efforts may raise the monies required to build Phase 2 concurrently with Phase 1. Phase 2 is the “Memory Fountain”, an abstract five pointed star with each point representing one of the major Branches of Service. Each point has its own bubbler with water flowing into the center of the fountain individually, and then rising up, indicating the efforts of each branch contributing to the whole of our Armed Forces.
