CONTINUED ITEM(S):

**#01-14-02 AMELIA AVENUE (SHULL ELEMENTARY)**

REQUEST FROM H. HOYNS, RESIDENT, to review and consider modification of curbside height at the northerly school parking lot entrance to improve the traffic flow at this entrance. Resident believes vehicles pull out into the traffic lane in order to make right turn into school driveway to avoid the high curbside thus nearly creating a collision between the cars entering driveway and southbound traffic. **Note: BUSD confirmed there are no alternatives for this request and this item is consider closed.**

**#05-14-03 COVINA BLVD W/O SAINTS COURT**

REQUEST FROM STAFF, to re-evaluate the current posted restriction signage in front of school to reflect 8:30am start time. To review restriction signage in front of school.

**#05-14-06 SAN DIMAS AVENUE AND BASELINE ROAD**

REQUEST FROM T. HAJJAR, RESIDENT, to evaluate this intersection for possible installation of 4-way stop signs and/or signal light as resident believes the westbound/eastbound Baseline Road vehicle traffic impedes the north/southbound San Dimas Avenue traffic causing near miss accidents. To be continued – will need to review Traffic Engineer's study/findings at the November TSC meeting.

**#05-14-07 SAN DIMAS AVENUE NORTH OF BASELINE ROAD**

REQUEST FROM T. HAJJAR, RESIDENT, to evaluate and consider installation of red curb on San Dimas Avenue north of Baseline Road on eastside. Resident believes there are line of sight issues when vehicles are parked on east side of San Dimas Avenue for the vehicles traveling west on Baseline Road making a left turn and cannot adequately estimate the San Dimas southbound traffic when making a left turn. To be continued – this study to be completed with the above item.

**#05-14-10 TERREBONNE AVENUE (BETWEEN SAN DIMAS GOLF COURSE & SAN DIMAS CANYON RD)**

REQUEST FROM I. CRUZ, RESIDENT, to review and consider installation of stop sign near the exit of Golf Course and/or near intersection of Terrebonne Avenue & Whitebluff Drive to slow north/southbound traffic.
