

VOLUNTEERS NEEDED FOR TRAIL CLEAN-UP PROJECT

The San Dimas Equestrian Commission is looking for volunteers for their annual trail clean-up project on Saturday, April 18th. Each year the Commission hosts a trail clean-up of trails in and adjacent to Horsethief Canyon Park. The clean-up will take place from 9:00 a.m. – noon with refreshments and lunch provided. The City will provide all necessary tools and guidance. Volunteers are suggested to wear sturdy shoes.

This a great opportunity for individuals to obtain required community service hours, especially for scouts and students. For more information or to RSVP to volunteer please call (909) 394-6210. RSVP's are encouraged so the Commission can plan for the appropriate amount of supplies.
