

Community Emergency Response Team

*Training class starting
Thursday Night, March 24, 2016*

C.E.R.T. “continuing education” opportunity coming TO SAN DIMAS—to residents who’ve completed the CERT Basic training

The **County of Los Angeles Fire Department** with support from the City of San Dimas and the Los Angeles County Sheriff Department is proud to present this training to CERT trained individuals.

Following a major disaster, police, fire and medical professionals may not be able to fully meet the demand. People will have to rely on each other to meet the immediate life saving and life sustaining needs, *particularly* in isolated neighborhoods that may be cut off from the main roads for a period of time.

The **Community Emergency Response Team (CERT)** program was developed to provide basic training in safety and life saving skills for the general public.

This refresher training opportunity will cover the following:

CERT “*Team Organization*” & search and rescue “*Building Markings*”

The training course will be presented CERT Volunteers ONLY:

**Thursday Night
6:00 PM to 8:00 PM**

**LASD – San Dimas Station
Community Room
204 S. Walnut Ave
