FISCAL YEAR 2016-17 BUDGET

LETTER OF TRANSMITTAL

Honorable Mayor and Members of the City Council:

Pursuant to Paragraph E (1), Section 2.24.070 of the San Dimas Municipal Code, it is my pleasure to submit to you the annual operating and capital improvement budget for Fiscal Year 2016-2017.

As has been the case for the last several fiscal years, the 2016-17 budget contains a remarkable number of public improvement projects. The fifteen projects, totaling \$15.5 million, are funded from a combination of funds from various Special Funds and General Fund reserves. Even after the use of reserves for some of the capital projects, the ending General Fund Reserve balance is projected to remain at \$16.1 million.

2016-17 will be a very active year for us. In addition to the capital improvement projects the City continues to meet the daily service needs of the public.

I express my continued appreciation to the City Council for their steady leadership and support in maintaining a high quality of life in San Dimas. I also express appreciation to our employees – they are capable and dedicated to performing their work tasks with effectiveness. They are key to the success of our community. Appreciation also goes to the residents and businesses of San Dimas for their efforts to contribute to our collective success and quality of life.

Respectfully Submitted,

A handwritten signature in cursive script that reads "Blaine Michaelis".

Blaine Michaels
City Manager

FUND DESCRIPTIONS

The budgeting and accounting system of the City of San Dimas is organized on the basis of funds. A fund is an independent fiscal and accounting entity with a self-balancing set of accounts. Funds maintain independent records of cash and/or resources together with all related liabilities, obligations, reserves and equities. The purpose of a fund is to carry out specific activities or attain certain objectives in accordance with special financial regulations, restrictions or limitations.

The largest single fund is the General Fund. Money in the General Fund can be used for any legal purpose—to underwrite operating expenditures or to fund capital improvement projects—and is the most flexible of all City funds.

Other funds are restricted in their use by law or by City Council action. This means that these funds may only be used for designated activities. Some funds, such as the Golf Course Maintenance and Operation fund, are restricted by City policy to certain activities.

The City's accounting and budgeting systems are in compliance with the Generally Accepted Accounting Principles (GAAP). This means that the modified accrual basis of accounting is used for governmental fund types. The modified accrual basis of accounting recognizes revenues when they are measurable and available and expenditures when they are incurred.

OPERATING FUNDS

Operating Funds account for the revenues and expenditures associated with the City's ongoing operations. Revenues in the operating funds are received from a variety of sources, and may be unrestricted in use, as in the General Fund, or restricted by law or policy in other special revenue funds, including those listed below:

- **General Fund** - the main Operating Fund for the City. All general tax revenues and other receipts not allocated by law or contractual agreement to other funds are accounted for in this fund. The General Fund is the most flexible of all City funds. The major General Fund revenue sources are: property tax, sales tax, franchise tax, transient occupancy tax, business tax, motor vehicle licensing fees, building permit fees, charges for services, fees and interest earnings. The General Fund is used for daily operating expenditures such as: public safety, planning, community improvement, youth and senior program administration, street repair, building maintenance, and City administration.
- **Walker House** – this fund is used to account for receipts and expenditures of monies received from the repayment of principal and interest from the Successor Agency and to expenditures associated with the maintenance and operations of the Walker House.
- **Sewer Expansion Fund** – this fund is used to account for receipts and expenditures of monies apportioned to the City under sewer maintenance and industrial waste reimbursements from the County and private property connections to the public sewer fees.
- **City Wide Lighting District** – this fund is used to account for financial activity relating to the Lighting District. Revenues include assessment to property owners within the district and expenditures related to the maintenance and upkeep of the system.
- **Landscape Parcel Tax** – this fund is used to account for financial activity relating to the voter approved property tax assessment. Revenues include assessment to property owners and a transfer from the General Fund. Expenditures are exclusive to the maintenance of parks, parkways, medians, and trees.
- **Civic Center Parking District M & O** – this fund is used to account for receipts and expenditures of monies received from Maint. & Admin assessments. The monies are too restricted for expenditures associated with the parking district.
- **Civic Center Parking District Reserve Fund** – this fund is used to account for reserves held in association with the bonds for the parking district.

- **Community Development Block Grant Fund** - this fund is used to account for grant revenue received from the Department of Housing and Urban Development. The funds will be used for housing rehabilitation programs.
- **Citizen's Option for Public Safety (COPS)** – this fund is used to account for receipts and expenditures of monies apportioned to the City FROM A State COPS grant for law enforcement.
- **Golf Course** – this fund is used to account for receipts and expenditures of monies for maintenance and operations of the San Dimas Canyon Golf Course. Surplus funds can be appropriated towards the re payment of the City loan.
- **Equipment Replacement Fund** – this fund is used to account for revenues and expenditures associated with the acquisition of equipment and vehicles for City use.
- **Air Quality Management District (AQMD) Fund** - this fund is used to account for clean air fees collected by the State and distributed by the Southern California Air Quality Management District (SCAQMD) for clean air projects.
- **Proposition A Fund** - this fund is used to account for the financial activity related to the City's share of Proposition A monies. Proposition A increased sales tax in Los Angeles County by one-half percent (0.5%) and is used for transportation related purposes.
- **Landscape Maintenance** — this fund is used to account for financial activity relating to landscaping of common areas within the Boulevard and Northwood's tracts. Revenues include assessment to property owners within the Boulevard and Northwood's tracts and expenditures related to the maintenance and upkeep of the common landscape areas.
- **Successor Agency Administration Fund** - this fund is used to account for the administrative costs of winding down the affairs of the former San Dimas Redevelopment Agency.

CAPITAL PROJECTS FUNDS

Capital Projects Funds account for the acquisition or construction of major capital facilities. Capital Projects Funds include the following:

- **State Gas Tax Fund** - this fund is used to account for receipts and expenditures of monies apportioned to the City under Sections 2103, 2105, 2106, 2107 and 2107.5 of the California Streets and Highway Code.
- **Infrastructure** - this fund is used to account for major capital improvement projects associated with the Cities infrastructure.
- **Community Parks & Facilities Development** - this fund is used to account for the parks and facilities capital improvement projects.
- **Open Space District # 1** - this fund is used to account for revenues and expenditures associated with the acquisition and preservation of north & west districts open space.
- **Open Space District # 2** - this fund is used to account for revenues and expenditures associated with the acquisition and preservation of east districts open space.
- **Open Space District # 3** - this fund is used to account for revenues and expenditures associated with the acquisition and preservation of south districts open space.
- **Proposition C Fund** - this fund is used to account for the financial activity related to the City's share of Proposition C monies. Proposition C increased sales tax in Los Angeles County by one-half percent (0.5%) and is used for transportation related purposes.
- **Measure R Fund** - this fund is used to account for receipts and expenditures of monies apportioned to the City under Measure R, a voter approved retail transactions and use tax at the rate of one-half percent (0.5%) for a period of 30 years. This money is restricted to expenditures that maintain and improve City streets and for transportation services.

DEBT SERVICE FUNDS

Debt Service Funds account for financial activity associated with the issuance of debt, and the accumulation of resources for, and the payment of outstanding obligations on City and Successor Agency long-term debt, as described below:

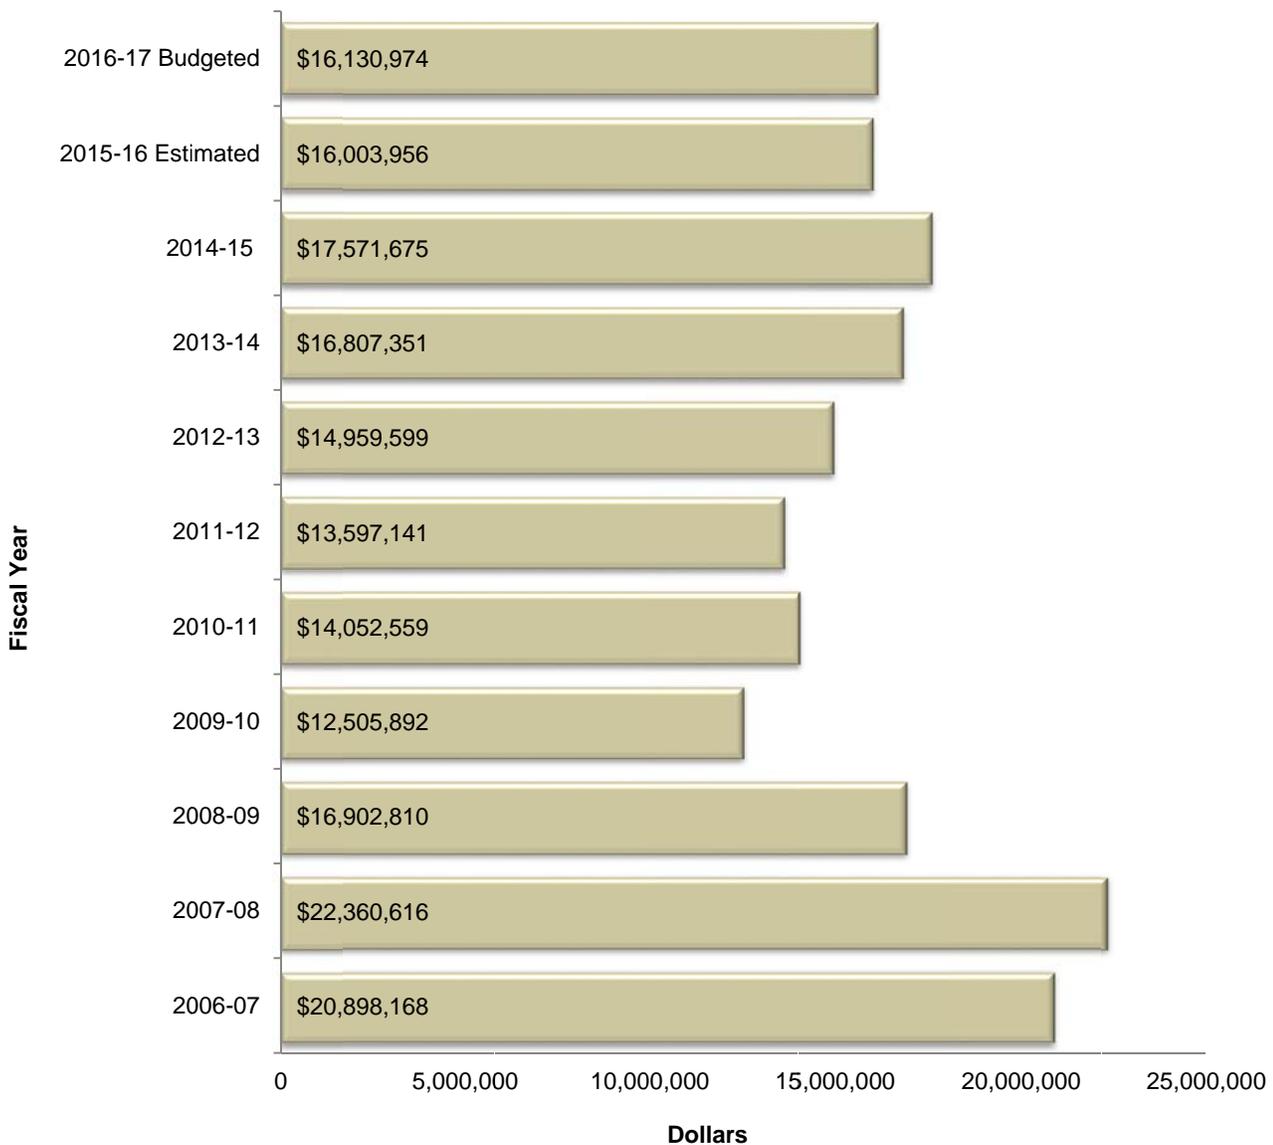

- **City Hall –Community Building – Plaza Fund** –this fund is used to account for debt service payments associated with the renovation of the San Dimas Civic Center the was re-opened as the City Hall, the Plaza and Community Building in April 2011.
- **Civic Center Parking District Redemption Fund** – this fund is used to account for the debt service payments associated with the improvements in the Puddingstone Parking District.
- **Housing Authority** – this fund is used to account for debt service payments associated with the 1998 Mobile Home Park Revenue Bonds. The bonds were issued to finance the Authority’s acquisition of a mobile home park know as Charter Oak Mobile Home Estates.

DESCRIPTION OF REVENUES

City revenues are derived from a variety of sources. Some revenues such as property transient occupancy tax and business tax are generated locally. Other sources of revenue are sent to the State of California or County of Los Angeles, and remitted to the City at a later time. These monies are received by the city treasurer and distributed to the appropriate fund.

The following list summarizes the most significant sources of City revenues:

Property Tax, at a rate of 1 percent of current market value, is imposed on all real and tangible personal property located within the City limits. The tax is collected by the County tax collector and a portion is remitted to the City. The City receives 6.58 percent of collected property taxes.

Other Taxes are collected locally, which include:

- **Business License Tax** that is collected from businesses for conducting business within the City. The tax rates are adjusted every April by a cost of living factor.
- **Franchise Fees** that are paid by electric, water and gas public utility companies, as well as the private cable television provider for the use of City right-of-way and for wear and tear to the City's streets.
- **Real Property Transfer Tax**, at a rate of \$1.10 per \$1,000, is collected by the County tax collector. The amount collected is based upon the value of the property transferred. One-half (0.5) of this tax is remitted to the City.
- **Sales Tax**, at the current rate of 9.00 percent, is levied on all retail goods sold within City limits and is collected and distributed by the State Board of Equalization as follows: State of California 6.50 percent; Proposition A one-half (0.5) percent; Proposition C one-half (0.5) percent; Measure R one-half (0.5) percent; and point of sale (San Dimas) one percent.
- **Transient Occupancy Tax**, at a rate of 12 percent, is collected from the operators of hotels, motels and campgrounds located within San Dimas City limits. The tax is imposed on guests who are temporary users of City services while occupying a room in a lodging facility located in the City.

License and Permit Fees are charged by the City to cover the costs of regulating various activities. This includes building permit fees, which are required for the construction of most structures. In addition, the City charges fees for inspection/street permits, annual and temporary parking permits, bingo permits, and Storm Water inspection permits.

Fines and Penalties are revenues derived from penalties charged for violations of California law and City ordinances. Included in this category are local ordinance violations, motor vehicle violations, parking citations, parking bail, and administrative citations.

Use of Money and Property is the interest earned on idle cash, building rentals and from the lease of space in City-owned buildings.

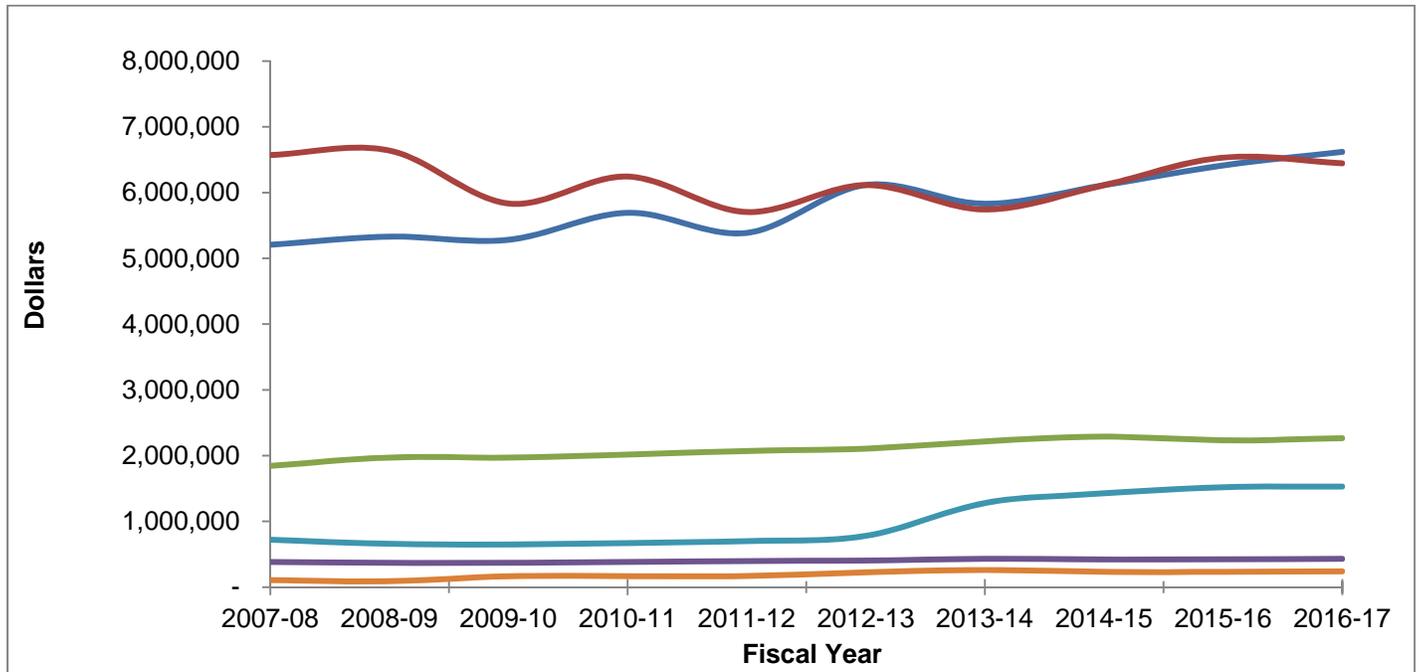

Revenue From Other Agencies is received and includes:

- **State Gas Tax** is received monthly on a per capita basis and a fixed annual amount based on population.
- **Proposition A Local Return, Proposition C Local Return and Measure R Local Return** each impose a one-half (0.5) percent sales tax, which is used to improve public and rapid transit. San Dimas is allocated a share of these funds based on population.

Charges for Current Services are fees charged for specific services rendered by the City, and include:

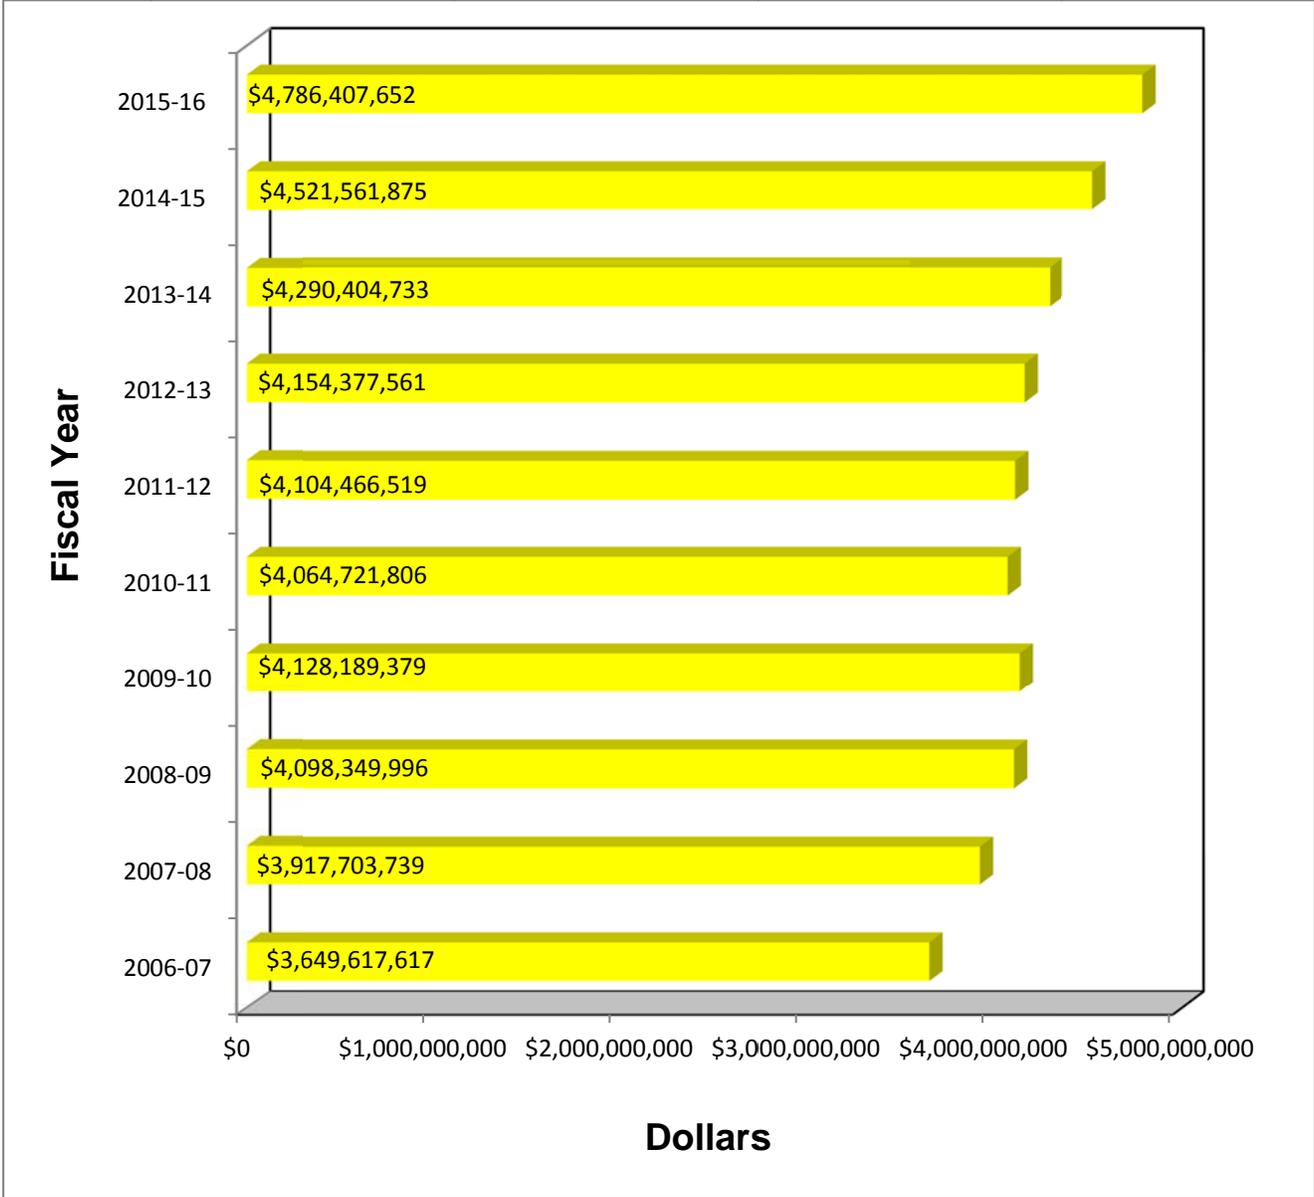

- **Administrative Fees** are collected for the administration of Prop A, C, and Measure R programs and staff time associated with the administration of the Walker House and Charter Oak Park.
- **Recreation Fees** include registration and course fees for a wide variety of programs, including youth and adult sports, facility rentals, Swim and Racquet Club programs and numerous special interest and self-improvement classes.

LOANS PAYABLE (Successor Agency Debt)

1991 Tax Allocation Refunding Bonds, Creative Growth Redevelopment Project

On April 1, 1991, the Agency issued \$8,020,000 of Creative Growth Redevelopment Project 1991 Tax Allocation Refunding Bonds to advance refund \$4,750,000 of outstanding 1985 Tax Allocation Refunding Bonds and \$3,070,000 of outstanding 1987 Tax Allocation Subordinated Bonds. As a result the 1985 and 1987 Series Bonds are considered to be defeased and the liability for those bonds has been removed from the City's Long-Term Debt. Interest on the bonds is payable semi-annually each September 1 and March 1 beginning September 1, 1991. The bonds bear interest rates varying from 5.75% to 6.75%. Principal maturities on serial bonds begin September 1, 1992, and continue on September 1 of each year through September 1, 2005; term bonds are due September 1, 2016. The bonds are not a debt of the City of San Dimas, the State of California or any of its political subdivisions, and neither said city, said state nor any of its political subdivision is liable therefore. The interest on and principal of the bonds are payable solely from tax revenues allocated to the Agency from the project area as defined in the resolution. On July 1, 1998, \$2,965,000 of these bonds was defeased by the issuance of the 1998 Series A Creative Growth Tax Allocation Bonds. This liability was transferred to the Successor Agency upon dissolution of the redevelopment agency.

GENERAL FUND BUDGET DETAIL OF REVENUES & EXPENDITURES

**CITY OF SAN DIMAS
ANNUAL CAPITAL AND OPERATING BUDGET
FOR FISCAL YEAR 2016-17
BUDGET MESSAGE**

The City's annual budget process begins in January of each year and concludes in June when the City Council adopts the new spending plan. The goal of presenting a fiscally responsible and balanced spending plan has been met again this year. As always, the City's priority is to present a well balanced budget and spending plan that continues to provide high quality services in the community and set aside prudent and responsible reserves for the future of the community. This year's spending plan in particular, includes a significant number of capital improvement and major projects funded from the General Fund and Special Funds including:

FY 2016 – 17 Proposed Capital Projects

TOTAL ALL PROJECTS	\$14,457,000		

GENERAL FUND REVENUE

The budgeted revenue estimates were developed very cautiously and conservatively again this year. General Fund revenues and transfers in is approximately \$86,900 more than last year's projection. Last years revenue included \$787,950 in one time revenue, therefore the increase in actual on-going revenue is slightly lower than it appears. There is an actual overall increase of approximately 3.4%. Some of the General Fund revenue highlights by major category include:

PROPERTY TAX – 311

- Base Property Tax - \$2,760,000 - \$32,000 or 1% increase over this year's budget.
- Residual Tax Distribution and Pass Thru - \$395,000 - This is the City's share of the residual tax increment that is redistributed to taxing entities. This amount is an estimate since the actual amount is based on the amount left over after ROPS obligations are paid.
- Motor Vehicle In Lieu Triple Flip - \$3,500,000, a 9.5% increase over last year.

SALES TAX – 312

Sales Tax - \$6,445,000 – Last year was the transition year of the “triple-flip” backfill formula. Starting in 2016-17 sales tax remittance will be back to normal distribution. Because of the accrual of payments in the last year there was a one-time additional remittance of \$385,000. When this one-time payment is factored out base sales tax next year is projected up \$240,000, or 3.8%.

FRANCHISE TAX – 314

Total of all Franchise Fees - \$2,264,500 – Essentially the same as last year.

OTHER TAXES – 315-317

- Transit Occupancy Tax - \$1,530,000 – A \$130,000 or 9% increase which is due to an overall increase in occupancy from all hotels.
- Business License - \$430,000 – Includes a \$7,000 due to a 1.7% CPI increase in the license fee rates.
- Documentary Stamp Tax - \$150,000 - \$11,000 increase over last year. Tax is collected by the County on real estate transactions in the City.

BUILDING AND OTHER PERMITS – 321-322

Total Permits - \$656,800 – Budgeted at a \$39,000 increase over last year's budget. However, the revised estimate for the prior year is \$978,886, \$361,186 more than budget. This increase is due to increase in building and street permits activity. We consider this increase as one time revenue because we can't anticipate if this increased activity will continue and as always have budgeted conservatively for next year.

FINES/PENALTIES & CITATIONS – 331-332

Total Citations - \$432,000 – Decrease by \$35,700, mostly in local ordinance and motor vehicle violations. This is below levels from a few years ago, partially due to the fact that a larger portion for fines is going towards County court costs.

USE OF MONEY & PROPERTY – 341/397

Interest – \$200,000 – Increase by \$28,000 or 16%. Continued diversification of investments is producing higher interest earnings, however, still very modest considering the amount of money invested due to current market conditions.

Building Rentals - \$120,000 - Decrease of \$15,000 over the last year's budget, however facility rental for the Community Building and Senior Citizen/Community Center remain strong.

Golf Course Loans - \$344,100 – Excess revenue available for payment of prior loans from the golf course to the General Fund.

CHARGES FOR CURRENT SERVICES

Planning Fees - \$40,500 – About the same as last year. Planning Related Fees - \$40,200 – About the same as last year. However, the revised estimate for the current year is \$89,350 under similar circumstances as permit fees, due to increased planning application activity.

CHARGES FOR ADMINISTRATIVE SERVICES – 360

Administration of Propositions A and C, Measure R, Walker House and Charter Oak Park remain roughly at the same amounts of reimbursement as last year.

RECREATION FEES – 367

Total Fees - \$521,550 – Total amount is roughly the same as last year.

SWIM & RACQUET CLUB FEES – 368

Total Fees - \$268,268 – Total amount is roughly the same as last year.

REFUNDS/REIMBURSEMENTS – 369-391-393-395

Administration Costs from Successor Agency - \$100,000 – This is the amount of reimbursement for Successor Agency staff costs. There is a cap on the amount of total administrative costs, including staff costs of \$250,000 per year. The \$100,000 is down from prior years due to less staff time devoted to the dissolution process.

Administration Costs from Housing Authority - \$25,000 – Reimbursement to the City for staffing costs associated for operations of the Housing Authority programs. Prior to the dissolution of the redevelopment agency the Housing Set-aside Fund would reimburse the City for staff costs associated with the housing programs. This was eliminated with the elimination of the set-aside fund. The Housing Authority has assumed the housing assets, liabilities and programs of the former agency.

WC/General Liability Insurance Refund - \$131,494. Last year was \$395,389. This is a retrospective deposit refund through the CJPIA on insurance deposits. The amount fluctuates widely and can be a refund or an additional deposit. When we receive a refund like this year we consider it one-time revenue.

TRANSFERS IN FROM SPECIAL FUNDS – 500

Lighting District Fund 7, Gas Tax Fund 2 and AQMD Fund 71 – The transfers reimburse the General Fund from these funds for personnel costs associated with eligible Fund expenditures. This year the amount of the transfers remains the same.

GENERAL FUND EXPENDITURES

The expenditures are carefully planned and General Fund expenditures for 2016-17 are budgeted to be \$20,384,646 approximately a \$234,197 decrease over last year's budgeted expenditures. However, it should be noted there were some significant one-time expenses last year.

PERSONNEL COSTS

The budget includes a 1.7% cost of living increase for all employees, consistent with the March CPI.

CITY COUNCIL - 4110

The City Council budget includes stipends and expenses pertaining to the City Council. The budget reflects no changes.

CITY MANAGER - 4120

The City Manager/City Clerk budget includes salaries and expenses for the City Manager and Deputy City Clerk. Most expenses reflect no significant deviations except:

- Election Services - \$82,600 – This line item is for the expense for conducting the general municipal elections in 2017. The amount is \$11,000 or 15% increase over the last election.
- Legal Advertising - \$20,000 - \$4,000 or 20% increase. The cost for placing legally required notices in the newspaper for bids and hearings continues to increase.

ADMINISTRATIVE SERVICES - 4150

The Administrative Services budget includes salaries and expenses for Administration, Finance, Parking Enforcement, Information Services and Human Resources. Line item expenses include items such as department personnel, professional services (auditors) and employee enhancement programs. Most of the expense items had no significant deviation from last year.

CITY ATTORNEY - 4170

The City contracts for City Attorney and City Prosecutor services.

- City Attorney - \$110,000 – The budgeted amount is the same as last year. Legal services pertaining to the Successor Agency and Housing Authority are budgeted in those respective Special Funds.
- City Prosecutor - \$20,000 – Decrease the budget is due to the decreased utilization of the prosecutor.

GENERAL SERVICES - 4190

The General Services account provides for non-departmental general expenses such as insurance, office and computer supplies and maintenance, as well as, employee benefits. Budget highlights include:

- Chamber of Commerce - \$45,000 – The City's existing Agreement with the San Dimas Chamber of Commerce is to provide certain services to the City and business community. The City and Chamber have been in discussions on a revised Agreement. This preliminary budget reflects the amount of the existing Agreement.

GENERAL SERVICES - 4190 (CONTINUED)

- Insurance – The City is self-insured as a member of a self-insurance risk pool, the California Joint Powers Insurance Authority. General Liability - \$325,215 – The annual contribution amount is \$63,389 more than last year. Property Insurance – We don't have the new amount yet. The Adopted budget includes last year's amount. Workers Compensation - \$152,396 – This is a \$6,361 decrease from last year. Environmental Liability Insurance - \$0 – This is a three year policy so there is no expense this year.
- Computer Professional Services - \$110,000 – Includes an additional \$10,000, from \$8,500 to \$18,500, for additional consultant technical support for IT related issues. This account also includes \$10,000 for the installation of public Wi-Fi access at the Senior Center.
- City Web Page Host Services - \$17,000 – Includes \$12,000 for a redesign and migration to an updated platform for the City's web page.
- Health Insurance and Optional Benefits – Budget amount \$1,147,560 – This is the budget for the City's cafeteria contribution for employee health, dental and vision insurance for full-time and regular part time employees.
- Retiree Health Coverage - \$34,000 - The City provides \$122 per month per retiree for health insurance benefits for retirees that chose to continue to enroll in the City offered health plan. The amount is up slightly due to retirements the past few years. The City applies a "pay as you go" for this expense and budgets the annual cost as opposed to pre-funding the liability.
- PERS Retirement Contribution – Budget amount \$1,059,486 – This year's budget amount reflects the employer paid amount, a \$60,381 increase over last year. Last year the City also paid an additional \$100,000 towards the City's unfunded liability. In addition to the employer contribution the employees contribute 7% for the employer contribution.
- Deferred Comp Match - \$87,600 – Four years ago the City match to deferred employee deferred comp was suspended. Two years ago the City began to contribute a portion of the prior match amount, \$100 per month for full-time and \$50 per month for regular part-time employees.
- Public Access Contract Assistance and Equipment – Total \$95,800. The expenses are for the operation of the City Government Access channel. The budgeted expenses are for the continued contract with the University of La Verne for the management of the channel and equipment purchases. A portion of these expenses are funded by a 1% PEG fee that was implemented in January 2009 and is projected to generate \$88,000 this year.
- ADA Transition Plan Consultant - \$2,000 – This current year the City was fortunate to be a part of a program offered by the CJPIA where they funded a large portion of cost of a consultant to perform a self-evaluation and update of the City's ADA Transition Plan. The City's contribution was \$34,000. The expense this year is for the license of Transition Plan software from the consultant. The cost of facility upgrades to meet ADA requirements will be budgeted in Fund 12.
- Accela Software Migration - \$0 – Two years ago the City began the process to migrate to a new land management software. The total cost of the project was \$520,000 spread over the last two budgets. There is no additional implementation expense next year. The annual software licensing expense is included in the Computer Professional Services account.

GENERAL SERVICES - 4190 (CONTINUED)

- Process Fees Credit Card Payments - \$19,000 – the expense is for fees for credit card payments made to the city. This past year the City changed credit card processing vendors, reducing the annual expense by almost 50%.

PUBLIC SAFETY - 4210

The Public Safety budget includes expenditures for contract law enforcement services provided by the Los Angeles County Sheriff's Department and animal control services provided by contract with the Inland Valley Humane Society. Budget highlights include:

- The Sheriff's contract budget includes an overall contract rate increase of 3.7%, resulting in a \$203,000 increase. The contribution to the Liability Trust 2016 to 9.5% next year resulting in a \$204,000 increase. Last year staff was a bit nervous of the potential of additional rate increases during the year so the budget included a line item Contract Increase Contingency (145,000) Those funds were not used since there was not a mid-year rate adjustment. Even given the significant increase in the Liability Trust Fund rate this year, it feared that there may be an additional mid-year adjustment to this rate. The budget includes \$50,000 in Contingency in anticipation of this.
- The Bonita Unified School District contributes a portion of the funds necessary for the School Resource Officer (1/2) and the Probation Officer (GAAP) contract (1/4). In addition a portion of these positions are funded by the COPS grant (Fund 41).
- Animal Control Services – Budget amount \$137,000 – The contract with the Inland Valley Humane Society for animal control services is being renewed extension for a three year term. The initial amount of \$137,000 is a \$5,516 increase. \$131,484. The amount of the increase in the contract is minimized due to the increase in dog license fees approved by the Council.

RISK MANAGEMENT/LAW ENFORCEMENT - 4211

The Risk Management budget sets aside minimal funds to cover claims or liabilities not covered under the City's self-insurance pool. In addition a portion of reserve funds are set-aside for this purpose.

EMERGENCY SERVICES - 4212

The Emergency Services budget provides for emergency preparedness expenses and a contingency fund for expenses as a result of a disaster or emergency. Like the Risk Management budget a portion of reserve funds are also set aside for emergency or disaster purposes.

- Williams Fire Mitigation Measures – \$0 – The 5 Year permit to eradicate arrundo has expired, therefore there are no expenses this year.
- Emergency Supplies/Equipment - \$15,000 – Continue with upgrades and supplies for the City's Emergency Operations Center.

COMMUNITY DEVELOPMENT - 4308

The Community Development Department oversees the Development Services and Public Works Departments. Budget Highlights include: Public Works Departments. Budget Highlights include:

- Engineering Services – City Engineer – Budget amount - \$45,000 – \$5,000 decrease. Contract engineering services to assist with development and to provide City engineer services.

COMMUNITY DEVELOPMENT - (CONTINUED)

- Professional Services - General - \$10,000. There are various necessary code updates that have been discussed. Last year's budget included staffing \$40,000 for a consultant to assist a comprehensive update of various land use codes. Staff is reevaluating the approach to the code updates. There is some money in the budget for consulting services for this or other projects.
- MND for Downtown Specific Plan - \$25,000 – SCAG awarded the City a grant of \$150,000 to complete a Downtown Specific Plan. Last year the City contributed \$5,000 towards the project. The \$25,000 budget is for consultants to assist with the preparation of the mitigated negative declaration for the project.
- The City last updated the General Plan in 1992. Many aspects are out of date. There is no requirement to update the General Plan (except for the Housing Element) but there is a letter that the State Attorney General sends out every year suggesting, based on a Northern California court case, that a General Plan may be out of date after eight years. The cost of a General Plan for a City of our size (based on recent ListServ surveys) is \$600,000-800,000. General Plan updates typically require 2-3 years to complete. Several years ago the Council assigned \$250,000 in reserves for the General Plan update. The budget reflects the moving of the \$250,000 from designated reserves to a general fund line item.
- Reclassification of Administrative Aide to Administrative Analyst. The budget reflects the reclassification the position of Administrative Aide in Community Development to Administrative Analyst to reflect the increase in more technical responsibilities of the position. The budget impact is \$11,600.

DEVELOPMENT SERVICES - 4309

Development Services includes planning and code enforcement. The Planning Division is responsible for current and long-term planning of the community, development review, subdivision review, environmental review, and providing staff support for Development Plan Review Board and Planning Commission. The goal of the City's Code Compliance program is to promote and maintain a quality living environment for residents. The budget includes salaries and administrative expenses. Most of the expenditures in this account are budgeted at similar levels as prior years.

- Professional Services – Increase by \$6,000 to contract for scanning of supplement development plans for electronic archives.

BUILDING & SAFETY - 4311

The Building and Safety Division is responsible for administering and enforcing the California Building Codes and the construction section of the San Dimas Municipal Code to ensure minimum standards to protect life and property. The budget includes salaries and administrative expenses. Most of the expenditures in this account are budgeted at similar levels as prior years with the exception of the following:

- Contract Plan Check – \$55,000 – Contract plan checker to supplement staff plan checks. The budget is the same as last year and only used on an as needed basis.

COMMUNITY DEVELOPMENT - (CONTINUED)

- Special Project Plan Check and Inspections - \$40,000. It is anticipated that a special project, such as the Brasada project would require additional specialized contract plan checks and inspections. This budget was added last year to accommodate that. The revised estimate for last year is \$5,000 but additional funds may be needed this year. Costs would be off-set by an increase in plan check and permit fees.

PUBLIC WORKS

The Public Works Department is comprised of two divisions: Administration/Engineering and Street Maintenance. The department is responsible for engineering design, capital improvements, construction and maintenance of public works infrastructure: streets, traffic signals, sewers, storm drains, sidewalks, and other public works areas like utilities and managing the city's storm water pollution prevention program. The maintenance division budgets include street maintenance, vehicle/yard maintenance and traffic control. Budget highlights include:

Administration/Engineering - 4310

- Engineering Intern – Last year the Intern positions were reduced from three to one, with overall hours reduced due to the hiring of additional full-time positions. This year's budget includes a slight increase of intern hours with a budget increase of \$3,800
- Overtime - \$2,000 – Addition of overtime hours for inspections in anticipation of major projects such as the Bonita Streetscape project.
- Engineering Plan Check Services – Budget amount \$5,000 - Continue with some contract plan check services to assist staff in time of peak work load.
- Project Management Services – Budget amount \$55,000 – \$10,000 decrease. Continue with the practice to contract for consultant services for special projects, management and inspection services for staffing relief and support.

Street Maintenance - 4341

- Professional Services - \$23,000 – A portion of the budget is for temporary contract labor during the transition from staff retirement vacancies to contract street sweeping.
- Contract Street Sweeping – \$115,000. The City is in the process of transitioning street sweeping to a contractor. The plan is to phase the transition by initially contracting out 65% of sweeping. It was originally anticipated the transition would occur last year. Due to workload the transition is being planned beginning the 2nd quarter of this year. The \$115,000 is the anticipated amount for 9 months of the fiscal year.
- NPDES (MS4 Permit) Programs – Collective Budget Amount - \$258,500 (total of all sub-categories) The total expense in FY 12-13 was \$65,035, FY 13-14 was \$184,029, FY 14-15 \$115,982 and the revised estimate for FY 15-16 is \$156,500. Much of the cost in the past has been for planning. This year the cost of implementation really begins. The budget includes the minimum cost of implementation. It is anticipated that this amount could increase significantly this year, possibly by \$1,000,000, depending by many variables. Staff would present to Council budget adjustments at that time.

Vehicle/Yard Maintenance - 4342

- Fuel & Oil – Budget amount - \$90,000 – This account is difficult to budget for due the volatility of fuel prices. The revised estimate for this year is \$70,000 With the contracting out for a portion of street sweeping next year there will be a fuel cost savings but the dollar amount is difficult to anticipate.

PUBLIC WORKS (CONTINUED)

- Sweeper Parts & Supplies - \$20,000 – It is anticipated a \$15,000 reduction due to contract street sweeping.

Traffic Control - 4345

Most expenses are the same as last year except:

- Traffic Engineering Services - \$75,000 – The budget includes \$25,000 for the required city-wide speed survey in May 2017.
- General Professional Services - \$55,000 – Contract street striping and markers. \$5,000 increase due to more streets planned for next year.

PARKS AND RECREATION

The Parks and Recreation Department is comprised of three divisions: Facilities, Landscape Maintenance and Recreation. The Facilities division is responsible for the maintenance, repair and equipment replacement of all public buildings. The Landscape Maintenance division is responsible for the maintenance of and landscaping in parks, parkways and medians. The installation and maintenance of all playground and athletic field equipment is also the responsibility of this division. The Recreation division is responsible for planning, organizing and conducting a comprehensive community recreation program for residents of all ages. The Parks and Recreation department is also responsible for the design and construction of City parks and recreation facilities. Improvements to Facilities, Civic Center, Senior Center, Parks and Swim and Racquet Club are appropriated in Fund 20, 21 and 22. Budget highlights include:

Facilities - 4410

The Facilities budget includes facilities maintenance personnel salaries, utilities and the maintenance and operations budgets for the following park and City facilities: Marchant, Ladera Serra, Pioneer, Via Verde, Horsethief, Lone Hill, the SportsPlex and Sycamore Ranch. There are no significant deviations in this budget except:

- Contract and General Maintenance - \$48,750 - \$18,750 increase over last year. Projects this year include painting of Lone Hill and Pioneer Park restroom buildings.

Civic Center - 4411

The Civic Center budget includes the maintenance and operations budgets for City Hall, the Community Building and the Martin House. There are no significant deviations in this budget.

Senior Center - 4412

The Senior Center maintenance budget includes the maintenance and operations budgets for the Senior Citizen/Community Center. There are no significant deviations in this account except: budgets for the Senior Citizen/Community Center. There are no significant deviations in this account except:

- Contract and General Maintenance - \$39,100 – This account fluctuates each year depending on planned maintenance projects. Last year the most significant project was exterior painting, next year \$29,500 is budgeted for an AV system upgrade.

Park Maintenance - 4414

The Park Maintenance budget includes landscape maintenance personnel salaries and maintenance and operations budgets for parks. The majority of park maintenance expense is reflected in Fund 8 funded by the landscape parcel assessment. There are no significant deviations in this account.

PARKS AND RECREATION (CONTINUED)

Median & Parkway Maintenance - 4415

The Median and Parkway Maintenance budget includes landscape maintenance personnel salaries and maintenance and operations budgets for median and parkway maintenance. As with park maintenance, the majority of parkway maintenance expense is reflected in Fund 8.

- Contract Median Islands - \$80,000 – Changes in this account reflect the adjustments to the contract with the maintenance contractor due to recent for changes to landscape needs in median islands due to renovations and a cost of living adjustment to the contract amount.
- Water – \$118,000. It is extremely difficult to budget for water costs for landscape because of the uncertainty of the exact extent of water restrictions, renovations and rates. The budget reflects a slight increase based upon historic usage and rates. Revised estimate for last year reflects a \$52,000 reduction over budget.

Recreation - 4420

The Recreation budget includes recreation personnel salaries and maintenance and operations budgets for recreation and senior citizen programs. There are no significant deviations in this account except:

- Recreation Staff – The budget reflects some changes in Recreation staffing. The previous staffing structure included four full-time Recreation Coordinators and a part-time Intern. The new structure includes one full-time Recreation Supervisor, three full-time Recreation Coordinators and elimination of the Intern and addition of one part-time Administrative Aide. The budget amounts reflect the salary changes.

Swim & Racquet Club - 4430

The Swim and Racquet Club budget includes personnel salaries and maintenance and operations budgets for the Swim and Racquet Club facility and programs. There are no significant deviations in this account except:

- Elimination of the Locker Room Attendant positions and increase in Building Maintenance Aide budget as they assume those duties.
- Maintenance of Equipment - \$19,650 – This budget includes the funds for replacement of an aging spa heater in case it fails this year.

TRANSFERS OUT - 5000

The budget includes transfers out from the General Fund to other Special Funds for specific projects as described below. There is a need to make additional transfers to those funds; however, as we have done the past few years we will make recommendations on transfer after the close of the fiscal year.

- Transfer to Fund 04 City Hall/Comm Bldg - \$742,270 – Transfer for debt payment on the Civic Center COP.
- Transfer to Landscape Maintenance Fund 08 - \$0. Last year's budget anticipated the need to transfer \$49,605 to the Landscape Maintenance Fund to make up the difference between expenses and revenue collected from the assessment. Due to the reduction in some expenditures that transfer was not necessary and a transfer is not anticipated this year either.
- Transfers to Infrastructure Fund 12 and Equipment Replacement Fund 70 – In November the Council authorized the transfer of \$1,089,500 to Fund 12 and \$300,000 to Fund 70.

USE OF RESERVES

This accounts for the use of reserve funds for specific projects. The reserve funds are transferred to the Special Funds for that project.

- Transfer to Infrastructure Fund 12 - Downtown Boardwalk Project – Last year’s budget included a transfer of \$1,000,000 from reserves for the Bonita project. Based upon the bids, the transfer will be \$2.7 million. Other Infrastructure Projects – A transfer from reserves of \$654,985 is made to provide the additional funds necessary for the projects included in Fund 12.
- Transfer to Park Development Fund 20 – Last year’s budget included a reserve transfer of \$291,471 to balance Fund 20, primarily for the Via Verde playground equipment project. \$192,434 will be transferred in this year with an additional \$119,300 transferred next year.
- Transfer to Open Space District #1 - Last year’s budget included a reserve transfer of \$44,429 to balance Fund 21 primarily for the Swim and Racquet Club assessment. Due to some unanticipated Quimby fees collected in that Fund the amount of the necessary transfer was reduced to \$15,649. A transfer of \$225,000 is budgeted for this year to fund the design and plans for Swim and Racquet Club improvements.
- Assigned Fund Balance General Plan - \$250,000. Several years ago the City Council had designated \$250,000 in reserves for the start of the General Plan Update process. This year’s budget moves the reserve funds from reserves to a General Fund line item expense.

GENERAL FUND - FUND BALANCE

Projected expenditures and transfers out are \$127,018 less than projected revenues and transfers in. After all budget projections, the proposed expenditures for the 2016-17 budget leaves an ending General Fund Balance of \$16,130,974 which is approximately 79% of the annual expenditures.

By prior City Council policy, portions of the total of \$16,130,974 Fund Balance in the General Fund have been assigned for specific purposes. As follows:

- Risk Management/ Law Enforcement – Budget amount - \$2,843,696 - Assigned for uncovered/unfunded claims or lawsuits and future law enforcement needs.
- Emergency Services – Budget amount - \$358,367 - Assigned for expenses as a result of a disaster or emergency.
- City Loan to SA – Budget amount - \$1,257,581 - Assigned for future expense as a result of the Department of Finance Audit and Review for City Paid Loans during the dissolution of RDA.

Fund 02 - State Gas Tax

Public Works capital improvement projects are primarily budgeted in Funds 2, 12, 73 and 74. There are a number of significant projects that are carry-over from this year or and have been planned for next year based upon the concept shared with the Council a few years ago to save up funds and schedule "super" projects. This is a "super" project year.

The revenue for this fund comes from State Gas Tax which is subject to a "triple-flip formula" and relies on State estimates. Because of this formula process and the significant reduction in gas consumption, revenues from gas tax have seen a significant decline over the past few years. Total gas tax revenue for the past few years is:

FY 13 – 14 - \$1,115,116
FY 14 – 15 - \$1,039,668
FY 15 – 16 - \$777,186 (estimate)
FY 16 – 17 - \$716,375 (projected)

State Gas Tax revenue is statutorily restricted and can only be used for street maintenance, repair and construction. Budget highlights include:

- Annual Pavement Preservation Program – Budget amount \$700,000 – Annual street program of slurry seal, pavement repairs and other pavement Total project preservation techniques. The last year's project and budget are being carried over to combine with this year's project. Total project amount is \$1,510,000 with amounts also budgeted in Funds 12, 73 and 74.
- San Dimas Ave. – Puddingstone to Via Verde - \$300,000 – Total project is \$1,800,000 with amounts also budgeted in Funds 12, 73 and 74.
- Cienega Ave – Lone Hill to Arrow Hwy. - \$400,000 – Total project is \$1,300,000 with amounts also budgeted in Funds 12 and 74.
- Badillo et al - \$100,000 – Total project is \$1,870,000 with amounts also budgeted in Funds 12, 73 and 74
- Transfer to General Fund – Budget amount \$225,000 – The transfer reimburses the General Fund for personnel costs associated with eligible street improvement projects.
- Other Maintenance and Repair - \$166,000 – City-wide and town core sidewalk repairs.

Fund 03 - Walker House LLC

This Fund was set up for the Walker House LLC that was established for the tax credit program. This fund received revenue from the tax credit distribution. Annually it receives revenue generated from uses of the house and repayment of the loan from the Redevelopment Agency. With the new Concessionaire Agreement the budget project rent revenue and utility expense off sets. The tax credit arrangement expired last year so the nominal expenses associated with that arrangement are no longer incurred. Expenses include insurance, maintenance and utilities for the house.

Fund 04 - City Hall - Community Building - Plaza Fund

This Fund was created to show the expenses for the Civic Center renovation project. The fund received the \$5.5 million general fund reserves that were committed to the project and the \$7.5 million proceeds from the COP. Beginning in FY 11-12 the only ongoing expense is the annual COP debt service which is funded by a General Fund transfer.

Fund 07 - City Wide Lighting District

The City Wide Lighting District receives revenue from a property tax assessment to be used exclusively for public lighting purposes. The money is used to maintain traffic signals and street lights, electricity, and special street light projects. Most of the expenditures are for ongoing maintenance and operations. Budget highlights include:

- Residual Tax Distribution – The Lighting District is a taxing entity that began to receive its share of the redistributed tax increment from the dissolved Redevelopment Agency last year. It is estimated that it will receive \$135,000 next year.
- Downtown Decorative Lighting – Budget amount \$120,000. This is a carryover project. Budget also includes funds to commence surveying of existing facilities to aide in the planning to replace the street lights in the town core with nostalgic lights at the rate of six blocks every three years.
- Bonita Streetscape Street Lights – Budget amount this year of \$790,000 for the electrical and upgrade of additional street lighting as part of Boardwalk Replacement Project.
- Woodglen Lighting Review - \$25,000 – Analysis of possible upgrades to street lights in the Woodglen neighborhood.
- Covina/Badillo Signal Upgrade - \$105,000 – Upgrade of the traffic signal at Covina and Badillo as part of the Badillo street project.
- Foothill/San Dimas Canyon - \$140,000 – Cooperative project with the County to upgrade the signal phasing at that intersection.

Fund 08 - Landscape Parcel Tax

This fund receives revenue from a voter approved property tax assessment. Per voter approval the money is used exclusively to maintain parks, parkways, medians, and trees. Annually the City Council has the authority to raise the amount of the assessment by the CPI. The revenue in the budget reflects a proposed 1.7% CPI increase. The revenue generated by the assessment does not fully cover the entire cost of the landscape maintenance. The expenses for the City personnel performing landscape maintenance functions are fully borne by the General Fund. Last year the General Fund anticipated a transfer \$49,605 to the Fund to balance expenses. Due to a reduction in expenses, mostly through utilities, this transfer was not necessary, nor is a transfer necessary this year. Budget highlights include:

- Horsethief Canyon Park Maintenance – A portion of the cost of maintenance for Horsethief Canyon Park was offset by a County grant and reflected in Fund 20. The grant funding expired this year so the entire cost of maintenance and utilities is reflected in this Fund. There is no longer a need to have a separate line item for the Horsethief Canyon Park expenses. The maintenance cost for the park are now included in all of the park maintenance line items such as Contract Park Maintenance, Electricity and Water, which accounts for the some of the increases in those accounts.
- Sportsplex Maintenance – Budget amount \$36,750 – The School District reimburses the City for 50% of this expense.
- Contract Accounts – Budget amount \$203,400 – The contracts with the landscape and tree maintenance contractors include a cost of living adjustment. The amount of those contracts are increased by 1.7% and reflected in the budget.
- Water – As mentioned previously water expense is difficult to budget for not knowing water restrictions, revised rate structures and changes to median islands. The budget is based upon best estimates taking all those factors into consideration.

Fund 20 - Community Parks & Facilities Development

The Community Parks and Facilities Development fund receives revenue from property development taxes, grants for specific projects and transfers from the General Fund. Revenue for this year is budgeted for the \$850,000 grant for the Walnut Creek project and \$311,734 transfer from General Fund reserves.

- Park Signage - \$10,000 – A carry over project to replace aged park signs in various parks.
- Via Verde Park Playground Equip and Park Rehab - \$500,300 (over two years) – Relocate and replace playground equipment and additional improvements associated with the relocation.
- Horsethief Canyon Park Maintenance - \$0. Previously the City received a grant to partially offset maintenance costs for Horsethief Canyon Park. The grant funds expired last year so next year all maintenance costs will be absorbed in Fund 8.
- Walnut Creek Park Development - \$850,000 – Development of Walnut Creek Open Space. The funds for the project are from a County project specific grant.

FUNDS 21, 22 AND 23 – Open Space Districts

The City is divided into three geographic areas for the purpose of the Open Space Districts. District #1, Fund 21, is the north and west area, District #2, Fund 22, is the east, and District # 3, Fund 23, is the south. Each District receives revenue from the development of property within their respective Districts in the form of Quimby fees. As it is uncertain when residential subdivisions may occur, no new revenue is projected.

- Fund 21 - Swim & Racquet Club Improvements - \$225,000 – There is a need for a significant rehab of the exterior and interior of the Club. Last year the City retained a consultant to perform an assessment of the existing facility. The scope of work for this year is to evaluate the results of the assessment and develop a plan for improvements to the facility. The first phase of the plan will be to prepare plans and specifications for the improvements. A very preliminary estimated cost for this scope of work is \$225,000. Since there are no current available funds in this Fund the source of funds for this project will be transfers for General fund reserves.
- Fund 22 – Marchant Park Improvement Project - \$1,360,000. This project is for the major renovation of Marchant Park including new restroom building, refurbishment or replacement of the recreation building, new sources of playground equipment and other amenities and improvements. The sources of funding include \$722,000 in Quimby fees from the Avalon project is pending. apartment project, \$250,000 in a County grant and prior transfers from General Fund reserves.
- Pioneer Park Playground Equipment Replacement - \$160,000. The City was awarded an HCD grant for the replacement of the playground equipment at Pioneer Park. The amount of the grant is \$100,000 and the city's matching portion would be \$60,000.
- Freedom Park Monument Sign - \$10,000 – The budget includes funds for the previous City Council approved monument sign at Freedom Park.

Fund 27, 28 and 29 - Civic Center Parking District

The Civic Center Parking District was formed in 1997. The District encompasses the common space of the Puddingstone Shopping Center. This group of funds is set up to cover the maintenance and operations and bond payments associated with the parking district. Revenue for this fund is derived from property assessments of property owners of the center. The bonds will be retired in September 2016 and at that time the Parking District will be dissolved. The Puddingstone Parking Lot will then revert to full private ownership and there will no longer be any City or Successor Agency involvement.

- Fund 27 - Maintenance and operations of common areas, i.e. parking lot and landscape areas, of the parking district.
- Fund 28 - Bond principal and interest payments due annually.
- Fund 29 - A reserve fund for the bonds associated with the parking district.

As of 2/1/2012

With the passage of ABx1 26, the Housing Set-Aside fund was also dissolved as of January 31, 2012. The City adopted a Resolution declaring the San Dimas Housing Authority as the successor agency to the Housing programs. The Housing Authority assumed all of the housing assets, liabilities and responsibilities of the former Redevelopment Agency. The Authority continues to administer management and operations of the Authority owned housing developments. The Authority also administers two previous approved development agreements providing financial assistance for low and moderate income housing. The Fund includes encumbered and unencumbered assets from the previous Set-Aside fund.

Fund 38 - Successor Agency
For Dissolved Redevelopment Agency as of 2/1/2012

On December 29, 2011 the California Supreme Court issued its ruling in the lawsuit challenging AB1X 26 and AB1X 27 relating to Redevelopment Agencies in California. The court upheld AB1X 26, eliminating Redevelopment Agencies and found AB1X 27, the bill to allow for the continued existence of Redevelopment Agencies with a voluntary payment, to be unconstitutional. The result being that the provisions of AB1X 26 remain law and thus dissolved the San Dimas Redevelopment Agency as of January 31, 2012.

The provisions of AB1X 26 included a specific dissolution process and timeline of events. The City moved forward and in January 2012 adopted a resolution to elect the City of San Dimas as the Successor Agency to the dissolved San Dimas Redevelopment Agency pursuant to California Health and Safety Code Section 34173 and created Fund 38 Successor Agency and Fund 39 Redevelopment Obligation Retirement Fund.

The Successor Agency as required by Health and Safety Code Section 34179 formed an Oversight Board to the Successor Agency; and regularly meets with the Oversight Board which has the fiduciary responsibility to holders of the enforceable obligations and the taxing entities that benefit from distributions of property tax and other revenue. The Successor Agency is responsible for completing the Agency's affairs and obligations, prepare Recognized Obligations Schedules (ROPS), and implement administrative tasks to dissolve the San Dimas Redevelopment Agency. All former obligations from the Redevelopment Agency have been transferred to the Successor Agency Fund.

The Successor Agency received a **Finding of Completion** from the Department of Finance verifying the City has met the obligations as defined pursuant to Health and Safety Code (HSC) section 34179.7. The next step in the dissolution process was the submission of a Long-Range Property Management Plan (LRPMP) to the DOF for review and approval. The "Plan" identified all properties owned by the former Redevelopment Agency, as well as, the process for management of, and/or the disposition of those properties.

Additionally, upon receiving the Finding of Completion, the Successor Agency was able to place loan agreements between the former Redevelopment Agency and the City on the Retirement Obligation Payment Schedule (ROPS), as enforceable obligations, provided the Oversight Board makes a finding that the loans were for legitimate redevelopment purposes per HSC section 34191.4 (b) (1), which they did in February 2014. The loan repayments would be governed by criteria in HSC section 34191.4 (a) (2). One of the criteria is first to pay back the outstanding SERAF loan, which was approved with the ROPS 14-15A and should take two and one half years to pay back. At that time the City is eligible to submit for City loan repayments.

Fund 39 - Redevelopment Obligation Retirement Fund

On December 29, 2011 the California Supreme Court issued its ruling in the lawsuit challenging AB1X 26 and AB1X 27 relating to Redevelopment Agencies in California. The result being that the provisions of AB1X 26 remain law and thus dissolved the San Dimas Redevelopment Agency as of January 31, 2012.

Pursuant to Health and Safety Code Section 34170.5, the Successor Agency created a Redevelopment Obligation Retirement Fund to be administered by the Successor Agency. The City assigned Fund 39 for this purpose to receive bi-annual remittances from the County for the transfer to the Successor Agency to meet the obligations of the dissolved Redevelopment Agency. The budget in this fund reflect the remittances and transfer amounts to comply with AB1X26.

Fund 41 - Citizen's Option for Public Safety (COPS)

This fund is for the administration of the State COPS grant. The program provides for supplemental money for law enforcement. The past several years the City has used the funds to fund a portion of the School Resource Office and the Probation Officer, directed patrol and miscellaneous equipment. The budget proposes continuing with those expense items again this year. Last year the City received a small amount of additional funds, \$114,618 and not all of the funds in the Directed Patrol or Equipment line items were utilized so those funds have been carried over to this year.

Fund 53 - Golf Course

The Golf Course fund receives revenue from the San Dimas Canyon Golf Course and club house leases. The ongoing expenditures are for utilities, audit services and incidental maintenance. The largest expense is for interest on prior loan payments to the City for the original acquisition of the golf course. In 2013 the City refinanced the loan changing the terms of the loan. The revenues and expenditures are consistent with last year with the exception of water. The City's contribution towards water expense is capped at \$95,000 per year. The lease operator contributes \$160,000 per year towards the expense. If the actual annual expense is less than those two contributions the excess will be carried over in a reserve to be used for future water expenses. The beginning fund balance in water reserves \$344,954. Actual water expense last year is down and estimates for this year are down as well due to conservation efforts. The estimated water expense is budgeted at \$185,000. However, because of the uncertainty of water restrictions and costs there is great uncertainty of the actual costs.

Fund 70 - Equipment Replacement

The primary source of ongoing revenue for this fund has been in the form of transfers from the General Fund. In November 2105 the City Council authorized a General Fund transfer of \$300,000. The estimated beginning fund balance for this year is \$691,025 and after budgeted expenditures the estimated ending fund balance will be \$182,025. Significant capital equipment purchases and budget changes include:

- Telephone Equipment - \$250,000 – The telephone system that serves City Hall, Senior Center and Maintenance Yard is aging. We have been put on notice that major components may no longer be available. Last year the City retained a consultant to evaluate of telephone system needs and provide a cost estimate for a new system. The preliminary estimate is the \$250,000. Staff is planning for a replacement in FY 2017 but has budgeted for replacement in case it is necessary this fiscal year.
- Computer Equipment - \$12,000 – There are no significant computer equipment replacements budgeted this year, however it is anticipated in the five-year projection that we will have significant replacement costs in the next 3 years.
- Vehicle and Equipment Replacements - \$222,000 – Replacement of various vehicles and field equipment.

Fund 71 - Air Quality Management District (AQMD)

The revenue for this fund comes from a portion of the vehicle license fees allocated to air quality programs. The funds are governed by guidelines established by the Southern California Air Quality Management District and can only be used on expenditures that have a direct effect on improving air quality. Many of the proposed expenditures are consistent with last year with one exception:

- AQMD Charging Stations - \$100,000 – The City was awarded a \$50,000 for the installation of additional electric vehicle charging stations. The City's match portion is \$50,000, from Fund 71.

Fund 72 - Prop A Transit

Revenue received in this fund is from a portion of sales tax within L.A. County. The money can only be used for mass transit and Paratransit projects and services. Since Prop A taxes are a portion of the countywide sales tax, the amount of revenue had declined significantly but in the past two years has experienced growth.

- Dial-A-Cab – Budget amount \$245,000 – Expenditures for the City subsidized San Dimas Dial-A-Cab service. In May the Council approved a fare increase which will go into effect in July. The increase in fares reduces the amount of the increase in City contribution for this year.
- Get About Services – Budget amount \$178,000 – This service experienced some significant ridership growth as well as an increase in contract service cost that went into effect last year. The cost increase for this year is minimal, \$4,000.
- Recreational Transit – \$85,000 – Transit services for adult, family and teen Recreation excursions and is the same as last year.

Fund 73 - Prop C Transit

This fund receives revenue from a portion of sales tax within L.A. County. The use of the funds are similar to Prop A guidelines with the exception that Prop C funds can be used for street improvements to streets that support mass transit. Similar to Prop A revenues are increased slightly. Budget highlights include:

- Pavement Preservation - \$20,000 – Annual street program of slurry seal, pavement repairs and other pavement preservation. Total project amount is \$1,510,000 with amounts budgeted in Fund 2, 12 and 74.
- Bonita Ave. Pavement Reconstruction - \$375,000 combined last year and this year. Reconstruction of Bonita Ave. from San Dimas Ave. to Cataract following the streetscape project. Total project cost is \$553,000 with additional funds budgeted in Fund 74.
- San Dimas Ave. – Puddingstone to Via Verde - \$950,000 – Total project cost is \$1,800,000 with additional funds budgeted in Funds 2, 12, and 74.
- Badillo et al - \$100,000 – Total project cost is \$1,870,000 with additional funds budgeted in Funds 2, 12 and 74.

Fund 74 - Measure R Transit Fund

In November 2008 voters passed Measure R, a ½ cent sales tax increase in Los Angeles County to finance new transportation projects and programs and accelerate many of those already in the pipeline. The increase in sales tax became effective July 1, 2009. Similar to Prop A and C funds the city receives an annual local share. The funds are restricted to use on transportation related programs and projects including street improvements.

- Badillo et al - \$405,000 - Total project cost is \$1,870,000 with additional funds budgeted in Funds 2, 12 and 73.
- San Dimas Ave. – Puddingstone to Via Verde - \$150,000 – Total project cost is \$1,800,000 with additional funds budgeted in Funds 2, 12, and 73.
- Bonita Ave. Pavement Reconstruction - \$178,000 - Reconstruction of Bonita Ave. from San Dimas Ave. to Cataract following the streetscape project. Total project cost is \$553,000 with additional funds budgeted in Fund 73.
- Cienega Ave – Lone Hill to Arrow Hwy. - \$400,000 – Total project is \$1,300,000 with amounts also budgeted in Funds 2 and 12.

GLOSSARY

CITY OF SAN DIMAS

Glossary of Budget Terms

Amendment An amendment is a change in the budget that occurs after its initial adoption. Such a change will consist of an increase or decrease in revenues that are recognized or in the level of authorized expenditures. City staff may implement some amendments, but most require formal action by the City Council.

Appropriation An authorization by the City Council to make expenditures/expenses and to incur obligations for a specific purpose within a specific time frame.

Assessed Valuation A dollar value placed on real estate or other property by Los Angeles County as a basis for levying property taxes.

Audit A review of the City's accounts by an independent auditing firm to substantiate fiscal year end funds, salaries, reserves and cash on hand and to determine whether the financial statements of a government are presented fairly in conformity with GAAP.

Beginning/Ending Fund Balance Unencumbered resources available in a fund from the prior/current fiscal year after payment of the prior/current fiscal year's expenditures/expenses. This is not necessarily cash on hand but the amount of financial resources available for use. Generally, this represents the detail of the entire annual operating surpluses and deficits since the funds's inception.

Bond A City may raise capital by issuing a written promise to pay a specific sum of money, called the face value or principal amount, at a specific date or dates in the future, together with periodic interest at a special rate.

Budget A fiscal plan of financial operation listing an estimate of proposed applications or expenditures and the proposed means of financing them for a particular time period. The budget is proposed until it has been approved by the City Council.

Capital Expenditure Expenditures resulting in the acquisition of or addition to the government's general fixed assets.

Capital Improvement A permanent addition to the City's assets, including the design, construction, or purchase of land, buildings, or facilities, or major renovations of same.

Capital Outlay A budget appropriation category which budgets all equipment having a unit cost of more than a pre-approved amount and an estimated useful life over a pre-approved period.

Debt Service Payment of the principal and interest on an obligation resulting from the issuance of bonds, notes, or certificates of participation (COP's).

Debt Service Fund This fund type is used to account for the accumulation of resources for, and the payment of, general long-term debt principal and interest.

Deficit An excess of expenditures over revenues (resources).

Department An organizational unit comprised of divisions or programs. It is the basic unit of service responsibility encompassing a broad mandate of related activities.

Division A sub-section (or activity) within a department which furthers the objectives of the City Council by providing specific services.

Expenditure The actual spending of Governmental funds set aside by appropriation.

Fee A fee is a charge imposed by the City on the beneficiary of a service it provides. Its purpose is to help recover some or all of the cost incurred by the City in providing a service. By law, a fee may not exceed the cost of providing a service.

Fiscal Year A twelve-month period of time to which a budget applies. In the City of San Dimas the fiscal year is July 1 through June 30.

Fixed Asset Long-lived tangible assets obtained or controlled as a result of past transactions, events or circumstances. Fixed assets include buildings, equipment, and improvements other than buildings and land. In the private sector, these assets are referred to most often as property, plant and equipment.

Full Time Position A full time position is one in which an employee is budgeted to work 40 hours per week or 2,080 hours each year. All full time positions receive benefits such as holiday, vacation, sick pay, retirement benefits, health insurance, etc.

Fund An independent fiscal and accounting entity used to record all financial transactions related to the specific purpose for which the fund was created.

General Fund The primary fund of the City used to account for all revenues and expenditures of the City not legally restricted as to use. This fund is used to offset the cost of the City's general obligations. Examples of divisions financed by the General Fund include Administration, City Council, Planning, Public Safety, Public Works, and Parks and Recreation.

Grant Contributions of cash or other assets from another governmental entity to be used to expend for specific purpose, activity, or facility. An example is the Community Development Block Grant provided by the Federal Government.

Interfund Transfer Monies transferred from one fund to another. Such money is transferred to finance the operations of another fund or to reimburse the fund for certain expenditures/expenses.

Line-Item A line-item is the detailed grouping of expenditures used in the City's accounting system. It is subordinate to an expense category. Typical line items are: professional services, office supplies, travel, postage, office equipment, motor vehicles, etc.

Municipal Code A book that contains the City Council approved ordinances currently in effect. The Code defines City policy with respect to areas such as planning, etc.

Ordinance A formal legislative enactment by the City Council. It has the full force and effect of law within City boundaries unless pre-empted by a higher form of law. An ordinance has a higher legal standing than that of a Resolution.

Part Time Position A part time position is one in which an employee is budgeted to work less than 20 hours per week or for less than six months during the year. Part time employees do not receive

benefits such as holiday, vacation, sick pay, retirement benefits, health insurance, etc. but do receive medicare benefits and a portion of their earnings deposited in a deferred compensation plan instead of social security.

Personal Services A budget category which generally accounts for full time, regular part time and part time employees, overtime expense, and all employee benefits, such as medical, dental and retirement.

Project Area A redevelopment project area is an area of the City that has been established by the adoption of a Redevelopment Plan and within which the Redevelopment Agency is authorized to use special powers granted by State law.

Reclassification The City maintains a classification system for all positions which establishes job titles, general duties and responsibilities, and compensation. Occasionally, employees are found to be working tasks or functions that fall outside their existing classification. When this occurs, a study is conducted by the Personnel Division and recommendation is made for proper classification.

Redevelopment This term refers to activities undertaken to renovate blighted areas within the City and to provide housing to low and moderate income persons. Blight consists of a variety of conditions that constitute a serious physical, social, and economic burden on the community and that cannot be corrected by private enterprise acting alone. Redevelopment activities may include, but are not limited to, the acquisition and conveyance of property, site clearance, and the provision of streets, utilities, parks, and other public improvements.

Regular Part Time Position A regular part time position is one in which an employee is budgeted to work 20 hours or more per week. Regular part time employees receive retirement benefits, medicare benefits, and a portion of their health insurance should they elect to enroll through the City's plan.

Reserve An account used to record a portion of the fund balance as legally segregated for a specific use.

Resolution A special order of the City Council which has lower legal standing than an Ordinance.

Revenue Bonds A type of bond usually issued to construct facilities. The bonds are repaid from the revenue produced by the operation of facilities.

Single Audit An audit performed in accordance with the Single Audit Act of 1984 and Office of Management and Budget (OMB) Circular A-128, Audits of State and Local Governments. The Single Audit Act allows or requires governments (depending on the amount of federal assistance received) to have one audit performed to meet the needs of all federal grantor agencies.

Special Revenue Funds This fund type collects revenues that are restricted by the City, State, or Federal Government as to how the City might spend them.

Tax A tax is a levy imposed by a local government in conformance with the Government Code to raise revenue for public purposes. There are two types of taxes: general taxes are imposed for general governmental purposes, and special taxes are imposed for specific purposes.
