## **CITY OF SAN DIMAS MEMORANDUM**

---

**DATE:** June 2, 2005  
**TO:** Equestrian Commission  
**FROM:** Ken Duran, Assistant City Manager  
**SUBJECT:** June Equestrian Commission Meeting

The June Commission meeting is canceled due to a lack to business to take action on. The next regular scheduled meeting will be Tuesday, July 5<sup>th</sup>.

The City Manager has had several more discussions with the Adairs and their attorney on the lease. We have not yet had further discussions with the City Council since they last gave us direction, so there is nothing new I can report to the Commission. We are hopeful to have discussion with the Council at one of the two Council meetings in June.

We are still gathering information on rule changes for the Community Arena. We have been compiling information from other community arenas as well as having our insurance authority research issues for us. If there are certain community arenas that you would for us to look at their rules let me know.

Other than the above there is really nothing else new to report. I will see you in July.
