2015 Honoree – Nancy Wilson

It is with great pleasure that the City of San Dimas nominates Nancy Wilson as the 2015 Senior Community Hero. Nancy Wilson is known for her compassionate heart and her service to the San Dimas Senior Citizen/Community Center and the residents of San Dimas. For nearly six years Nancy has actively participated in many of the programs offered by the City of San Dimas as a volunteer and "cheerleader." Her loving presence is welcoming to all. If a dinner needed to be served or someone is not sure where to get information; Nancy is always ready to help. No one feels lost or unwelcome with Nancy around, her sincere attentiveness makes everyone feel important.

For all her contributions to the lives of the residents of San Dimas and her dedication to honesty and charity, Nancy Wilson is a great candidate for Senior Community Hero.
